WHAT OUR CUSTOMERS ARE SAYING

“ The online clover portal is proving extremely useful, and the UI is very intuitive. Over the last few months, we’ve leveraged Clover’s reporting capabilities to streamline a few of our accounting processes - So extremely happy from my perspective. ”

-South Thompson Inn & Conference Centre

“ We had a few challenges to deal with in moving to the new Clover machines – but no matter how many times I emailed and called, someone always got back to me quickly and with a resolution! Our new machines are a big hit with clients, guests and employees as they are easy to navigate, easy to read and provide a variety of reporting options and tracking. Thank you for your time, your assistance and all the support your team had to offer! ”

-The Sidney Pier Hotel & Spa

“ From my end I’ve been extremely happy with everything. The reporting that I can access from home, is a huge improvement over what I had before. I’m so happy we made the switch. So can’t thank you enough for your help and support with setting everything up for us. ”
