

## MOBILE APP & DIGITAL KEY LET YOUR GUESTS BYPASS THE LINE AND STREAMLINE OPERATIONS

Fuel Mobile App & Digital Key is a customized white-labeled mobile app designed for hoteliers of any size. Increase guest engagement and customer retention through features like mobile check-in/check-out, keyless entry, additional service purchasing, room selection, special amenity request, customized alerts. Increase RevPar with room upgrades and ancillaries.

The Fuel Mobile App & Digital Key is the world's most powerful and flexible solution for independent hotels. Save time at the front desk and drive more ancillary revenue per guest while providing unparalleled customer experience.

### CUSTOM BRANDING

Your app is a fully-branded, white-label solution that looks and feels just like your hotel for a seamless guest experience and a consistent brand image.

### EXPRESS CHECK-IN

Allow guests to bypass long lines at the front desk by checking in prior to arrival and opening their door with their phone.

### MESSAGING PLATFORM

From pre-arrival notifications when their room is ready to automated messages during their stay and personalized deals after their departure, connect with your guests throughout their travel journey.

### PROPERTY INFORMATION

Potential visitors can quickly explore your property before they book, including detailed info, contacts, photos, special offers, amenities, maps and more.

### PMS INTEGRATION

The Fuel Mobile App & Digital Key integrates with your property management system and lock vendor in real-time to provide simple, frictionless functionality.

### DESTINATION DETAILS

Guests can find everything they need to know about what to do during their stay with a custom info portal with weather, attractions, discounts, dining, events, maps and more.

### ANALYTICS INSIGHTS

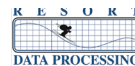

Get great insight into visitor behavior and find out from where your revenue is coming with Google Analytics integration and custom reporting features.

### PLANNING TOOLS

Help your guests get the most out of their travel experience! The Fuel Mobile App offers full booking capabilities, packing lists, and itinerary builder tools so they'll feel like a local.

## INTEGRATION & PMS PARTNERS

Is your PMS provider not listed, no worries we can build a custom interface just for you!
